Configuring Internet Explorer – Pop Ups

Allow Pop Ups from ConnectCarolina

1. Login to ConnectCarolina.
2. Press the Alt-T key combination to open the Tools menu.

3. Click on the Pop-up blocker > Pop-up Blocker Settings

   **Note:** If it’s grayed out, click on Turn on Pop Up Blocker first.

4. Enter addresses of sites to allow Pop-ups from.

   .unc.edu

5. Configure the Blocking Level.

   Select ‘Low: Allow pop-ups from secure sites’ from the drop down menu.

6. Click the Close button.
