YOUR SEMESTERS (TERMS IN RESIDENCE) ARE TALLIED IN THREE WAYS:

1. **UNC-Chapel Hill *full-time* enrollment**
   Regardless of the number of credit hours, any fall or spring semester of enrollment in UNC-Chapel Hill courses (including UNC-CH Study Abroad courses, but excluding Carolina Courses Online) tallies as a semester used up, unless you are enrolled as a part-time student through Part-time Classroom Studies. (Summer sessions at UNC-Chapel Hill do not count as semesters.)

2. **UNC-Chapel Hill *part-time* enrollment**
   A semester is tallied for each full multiple of 15 cumulative credit hours earned at UNC-Chapel Hill in fall or spring terms (not summer terms) in which you are enrolled as a part-time student through Part-time Classroom Studies.

3. **Transfer credits awarded for courses taken at other colleges**
   A semester is tallied for each full multiple of 15 cumulative transfer-credit hours awarded for courses taken at other colleges. Excluded from this calculation are transfer hours awarded for courses taken either prior to high-school graduation or in any summer term after you are accepted to attend UNC-Chapel Hill.

*Carolina Courses Online*
Any term in which you are enrolled only in online courses does not tally as a semester used up.

**Tip #4 - Clear Any Holds On Your Account Preventing Enrollment**

*Important*: Make sure you clear any holds on your account preventing enrollment, prior to your enrollment appointment starting.

**To check for holds on your account:**
1. Go to your [ConnectCarolina Student Center](#).
2. Locate the **Holds** section on the right.

   - If you see “**No Holds**” listed, you do not have any holds on your account.
   - If you do see Hold(s) listed, click on the **Details** link for more information on the holds.

**Tip #5 – Start Placing Classes in Your Shopping Cart**
You can now search for classes and add classes to your shopping cart. You may add as many classes as you would like into your shopping cart.

*Important*: When adding classes to your shopping cart, make sure to **follow all the steps** until you receive the message that the class has been added to your shopping cart.

*GEOL 101 has been added to your Shopping Cart.*
