Enrollment appointments for Summer I and Summer II terms begin on Monday, March 25, 2013 and follow the registration schedules posted on the University Registrar’s Calendars.

Enrollment appointments for Fall 2013 term begin on Tuesday, April 2, 2013 and follow the registration schedule posted on the University Registrar’s Calendar.

Enrollment appointment dates are assigned on the basis of terms in residence.

YOUR SEMESTERS (TERMS IN RESIDENCE) ARE TALLIED IN THREE WAYS:

(1) UNC-Chapel Hill *full-time* enrollment
Regardless of the number of credit hours, any fall or spring semester of enrollment in UNC-Chapel Hill courses (including UNC-CH Study Abroad courses, but excluding Carolina Courses Online) tallies as a semester used up, unless you are enrolled as a part-time student through Part-time Classroom Studies. (Summer sessions at UNC-Chapel Hill do not count as semesters.)
(2) **UNC-Chapel Hill *part-time* enrollment**
A semester is tallied for each full multiple of 15 cumulative credit hours earned at UNC-Chapel Hill in fall or spring terms (not summer terms) in which you are enrolled as a part-time student through Part-time Classroom Studies.

(3) **Transfer credits awarded for courses taken at other colleges**
A semester is tallied for each full multiple of 15 cumulative transfer-credit hours awarded for courses taken at other colleges. Excluded from this calculation are transfer hours awarded for courses taken concurrent with high-school, and a few other exceptions.

**Carolina Courses Online**
Any term in which you are enrolled only in online courses does not tally as a semester used up.

**Tip #4 - Clear Any Holds On Your Account Preventing Enrollment**
**Important:** Make sure you clear any holds on your account preventing enrollment, prior to your enrollment appointment starting.

To check for holds on your account:
1. Go to your ConnectCarolina Student Center.
2. Locate the **Holds** section on the right.

- If you see “**No Holds**” listed, you do not have any holds on your account.
- If you do see Hold(s) listed, click on the **Details** link for more information on the holds.

**Tip #5 – Start Placing Classes in Your Shopping Cart**
You can now search for classes and add classes to your shopping cart. You may add as many classes as you would like into your cart.

**Important:** When adding classes to your shopping cart, make sure to **follow all the steps** until you receive the message that the class has been added to your shopping cart.

**Tip #6 – Search for Classes**
There are many different ways to search for classes. If you’re looking for additional search options, try using the **Additional Search Criteria**.

**Example:**
If you’re looking for a History class that meets on Mondays, Wednesdays and Fridays between 8am and 10am for example, you can put **HIST** into the Course Subject field, then populate the Meeting Start Time, Meeting End Time and Day of Week fields and click the SEARCH button.
TIP #7 – Read the Class Notes for Helpful Information about Your Class

Be sure to read the Class Notes on a class for more information about the class as well as any notes about seats that may be reserved.

If a class has Class Notes, you can view them by clicking on the Section link from the search results, and then looking for the Class Notes section.
Tip #8 – Adding Variable Credit Classes to Your Shopping Cart
When adding variable credit classes to your Shopping Cart, be sure to adjust the Units field prior to clicking next button.

Tip #9 – Once Your Enrollment Appointment Starts You May Begin Your Registration
Once your enrollment appointment starts (view Tip #2 to find your enrollment appointment), you may begin your registration. Keep in mind that this is just the beginning of your registration, and students will be changing their schedules up through the online add/drop deadlines.

Check out our registration calendars at [http://registrar.unc.edu/academic-calendar/](http://registrar.unc.edu/academic-calendar/) for important registration dates.

- If you have questions about classes you cannot get into because seats are reserved, try contacting the teaching department for more information.
- If you are looking for additional classes, but need guidance on what to register for, contact your advisor for more information.

Tip #10 - Check the Registration Guide
