

How to Use the What-If report (Student Navigation)

This section will show a student how to set up a What-if report in ConnectCarolina

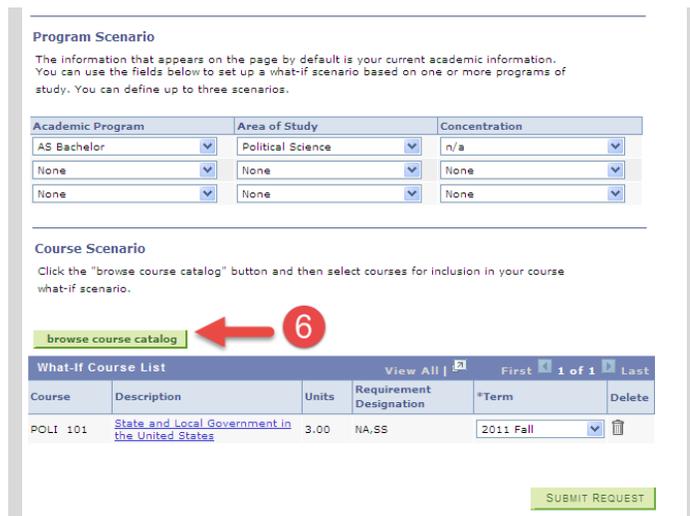

1. Access your StudentCenter in ConnectCarolina.
2. Click on the drop-down Menu under the **Academics** header.
3. From the drop-down menu, select **What-if Report**
4. Click the arrow button  to launch the **What-if Report** tool
5. Click **Create New Report** button.

The screenshot shows the 'Academics' header with a dropdown menu containing 'Search', 'Plan', 'Enroll', and 'What-if Report'. A red arrow points to the 'What-if Report' option. Below the menu, the 'What-if Report Selection' page is shown, featuring a 'CREATE NEW REPORT' button highlighted with a red circle containing the number '5'.

Creating a What If report allows students to see multiple scenarios such as:

- Changing a major (Ex. changing current major to Political Science)
- Adding a second major or minor
- Seeing where an individual course will fall in the Tar Heel Tracker (Ex. POLI 101)

The screenshot shows the 'Program Scenario' section with a table for selecting academic programs, areas of study, and concentrations. Below it is the 'Course Scenario' section, which includes a 'browse course catalog' button highlighted with a red circle containing the number '6'. Below the button is a 'What-If Course List' table.

Course	Description	Units	Requirement Designation	*Term	Delete
POLI 101	State and Local Government in the United States	3.00	NA,SS	2011 Fall	

6. Click the browse course catalog button to browse the course catalog and select individual courses to add to your What if Course list.
