42 days (excluding finals)

29 days (excluding finals)

The University is focused on creating an environment where our entire academic community can best perform and publishes the Chancellor's Academic Calendar to support this effort. We also recognize conflicts with academic calendars, syllabi dates, etc. may arise. Students can make advance request for class absences, re-scheduling of examinations or other adjusted class deadlines in accordance with university approved absence guidelines in the [catalog \(https://catalog.unc.edu/\)](https://catalog.unc.edu/). The following site assist in identifying religious holidays and observances for request related to this, <http://www.interfaith-calendar.org/>. Faculty and campus are asked to consider these requests and make reasonable accommodations for the student.

Of special note for our Muslim community, the holy month of Ramadan overlaps with the University Academic Calendar final examination period for the Spring 2021 semester. Please be considerate of this, especially student request for an alternate schedule to allow for these observances.

$42 \times 50 = 2,100 + 180 = 2,280$

$29 \times 75 = 2,175 + 180 = 2,355$
